Now that Rove is
gone, maybe
I can
become
a
REAL
president...

Judge's Comments:

- * Great style
- * conveys well with headline
- * simple and clean
- * very nice, well done

In-depth News Story

Odyssey newsmagazine, Clarke Central High School

Crossing into America

For many undocumented immigrants, the treacherous journey across the American border is a sacrifice for freedom. But once they have arrived in America, immigrants' dreams of American ideals are torn from them as they are greeted with discrimination and given a new identity: "illegal aliens."

Story and Layout
Bryan Barks
Features Editor

Cartoons by Emily Silva

Judge's Comments:

*** This entry stood out because of the way it grabbed the reader. I read the first page without shifting in my seat, without sipping my coffee. The narrative held me. The reporting is extremely thorough, but many of the sources are local, helping the reader stay connected. Keep up the good work.**
